ATTORNEY GENERAL

June 20, 2019

Chief Michael Bethea  
City of Mullins  
151 E Front Street  
Mullins, South Carolina 29574

Dear Chief Bethea,

The Office of the Attorney General, Department of Crime Victim Compensation (DCVC), is sending this notice to inform you that we have completed the DCVC Programmatic Review and Financial Audit of the Victim Assistance Funds for the City of Mullins. A copy of the official report is attached for your review. This is in conformance with Act 96 [PART IV] which requires DCVC to conduct a programmatic review and financial audit on any governmental entity or non-profit organization receiving victim assistance funding to ensure that these crime victim funds are expended in accordance with the law. If errors are found, the agency has ninety days to rectify the error. A penalty will apply if this is not done within the specified time period.

Please be advised that all DCVC audits and follow-up reports are public information. I am requesting that you respond to the findings, in writing, within the next ten business days. Please note that, at the end of ten business days, this report will be posted on the DCVC website at [www.sova.sc.gov](http://www.sova.sc.gov) under the DCVC auditing tab.

Should you have any further questions or concerns, please feel free to contact me or Teresa Green at 803-734-7108.

Sincerely,

Ethel Douglas Ford, CPM  
Assistant Deputy Director

### **PREFACE**

This programmatic review and financial audit was initiated in response to the Department of Crime Victim Compensation's (DCVC) concerns regarding the Victim Assistance Fines, Fees and Assessment fund. On January 10, 2019, the Assistant Deputy Director of the DCVC issued a letter to the County Administrator's Office and the Chief of Police informing them of the City of Mullins Victim Assistance Fund audit. The audit was conducted on February 21, 2019.

### ***Governing Legislation and Regulations***

#### **ACT 96 [PART IV]**

SECTION 13. B. Chapter 1, Title 14 of the 1976 Code is amended by adding:

"Section 14-1-211.6. (A) If the State Auditor finds that any county treasurer, municipal treasurer, county clerk of court, magistrate, or municipal court has not properly allocated revenue generated from court fines, fines, and assessments to the crime victim funds or has not properly expended crime victim funds, pursuant to Sections 14-1-206(B) and (D), 14-1-207(B) and (D), 14-1-208(B) and (D), and 14-1-211(B), the State Auditor shall notify the Office of the Attorney General, South Carolina Crime Victim Services Division. The division is authorized to conduct an audit, which must include both a programmatic review and financial audit of any entity or nonprofit organization receiving victim assistance funding, based on the referrals from the State Auditor or complaints of a specific nature received by the division to ensure that crime victim funds are expended in accordance with the law. Guidelines for the expenditure of these funds shall be developed in collaboration with the Victim Services Coordinating Council. The Victim Services Coordinating Council, in collaboration with the director of the division, shall develop these guidelines to ensure any expenditure that meets the parameters of Article 15, Chapter 3, Title 16 is an allowable expenditure.

(B) Any local entity or nonprofit organization that receives funding from revenue generated from crime victim funds is required to submit their budget for the expenditure of these funds to the Office of the Attorney General, South Carolina Crime Victim Services Division within thirty days of the budget's approval by the governing body of the entity or nonprofit organization. Failure to comply with this provision shall cause the division to initiate a

programmatic review and a financial audit of the entity's or nonprofit organization's expenditures of victim assistance funds. Additionally, the division will place the name of the noncompliant entity or nonprofit organization on its website, where it shall remain until such time as the noncompliant entity or nonprofit organization is in compliance with the terms of this section.

(C) Any entity or nonprofit organization receiving victim assistance funding must cooperate and provide expenditure and program data requested by the division. If the division finds an error, the entity or nonprofit organization has ninety days to rectify the error. An error constitutes an entity or nonprofit organization spending victim assistance funding on unauthorized items as determined by the division. If the entity or nonprofit organization fails to cooperate with the programmatic review and financial audit or to rectify the error within ninety days, the division shall assess and collect a penalty in the amount of the unauthorized expenditure plus fifteen hundred dollars against the entity or nonprofit organization for improper expenditures. This penalty which includes the fifteen hundred dollars must be paid within thirty days of the notification by the division to the entity or nonprofit organization that the entity or nonprofit organization is in noncompliance with the provisions of this section. All penalties received by the division shall be credited to the general fund of the State. If the penalty is not received by the division within thirty days of the notification, the political subdivision must deduct the amount of the penalty from the entity's or nonprofit organization's subsequent fiscal year appropriation."

**Proviso 59.15**

59.15. (AG: State Crime Victim Compensation)

A county or municipality may retain carry forward funds that were collected pursuant to Sections 14 1 206 (B) and (D), 14 1 207 (B) and (D), 14 1 208 (B) and (D), and 14 1 211 (B) of the 1976 Code, but no more than \$25,000 or ten percent of funds collected in the prior fiscal year, whichever is higher.

If a county or municipality does not spend at least ninety percent of the funds collected pursuant to Sections 14 1 206 (B) and (D), 14 1 207 (B) and (D), 14 1 208 (B) and (D), and 14 1 211 (B) on Article 16, Chapter 3, Title 16 first priority and/or second priority programs during the fiscal year that the funds are received then the county or municipality shall remit any unspent funds that are greater than the allowed carried forward funds, regardless of the year collected, to the State Victim Assistance Program (SVAP) with the Office of the Attorney General within 120 days after the end of the fiscal year.

*Proviso 59.15 (cont.)*

All funds must be accounted for in the annual audit for each county or municipality.

The State Crime Victim Compensation Department shall offer training and technical assistance to each municipality and county annually on acceptable use of both priority one and priority two funds and funds available for competitive bid.

The State Crime Victim Compensation Department is authorized to transfer to the State Victim Assistance Program any state funds deemed available under Crime Victims Compensation authority to the State Victim Assistance Programs be placed in the competitive bid process.

The State Victim Assistance Program shall offer any funds remitted to it to non profit organizations that provide direct victim services on a competitive bid process. These funds may be used by the non profit for administrative costs and victim services.

*Proviso 98.9*

98.9 (TREAs: Penalties for Non-reporting)

If a municipality fails to submit the audited financial statements required under Section 14-1-208 of the 1976 Code to the State Treasurer within thirteen months of the end of their fiscal year, the State Treasurer must withhold all state payments to that municipality until the required audited financial statement is received.

If the State Treasurer receives an audit report from either a county or municipality that contains a significant finding related to court fine reports or remittances to the Office of State Treasurer, the requirements of Proviso 117.51 shall be followed if an amount due is specified, otherwise the State Treasurer shall withhold twenty-five percent of all state payments to the county or municipality until the estimated deficiency has been satisfied.

If a county or municipality is more than ninety days delinquent in remitting a monthly court fines report, the State Treasurer shall withhold twenty-five percent of state funding for that county or municipality until all monthly reports are current.

After ninety days, any funds held by the Office of State Treasurer will be made available to the State Auditor to conduct an audit of the entity for the purpose of determining an amount due to the Office of State Treasurer, if any.

**Discussion** According to the Department of Crime Victim Compensation (DCVC) audit files, a note dated April 26, 2012 states as of January 2010, the City of Mullins did not hold court, have elected officials, or collect fines, fees, and assessments. However, a year later during the desk audit on April 15, 2013, it was noted in the DCVC audit file that the City of Mullins held court and had a police department. Because of this new conflicting information, the City of Mullins was placed on the audit list. It was later determined that the conflicting information was due to the police department being displaced because of a fire. However, it was necessary to conduct the DCVC initial audit to determine proper accountability and use of the Victim Assistance Fines, Fees, and Assessment Funds. The auditor set the scope of the audit from July 1, 2009 through June 30, 2018 because of issues noted in the file dating back to January 2010 that were never resolved due to various reasons.

The auditor requested the documents below as a part of the pre requested audit documents:

- VAFFA Expenditure Reports from July 1, 2009 through June 30, 2018
- Copy of Financial Statements year ending June 2009, June 2010, June 2011, June 2012, June 2013, June 2014, June 2015, June 2016, June 2017, and June 2018

- Victim Assistance Bank Account Statements for July 1, 2009 through June 30, 2018
- State Treasurer Revenue Remittance Forms from July 1, 2009 through June 30, 2018

On February 5, 2019, the City of Mullins' Interim City Administrator inquired about submitting the audit reports for FY09 through FY18 due to the large quantity of pages. Therefore, the auditor advised the administrator to submit the Supplementary Schedules for FY09 through FY18 instead of the entire audit report. On February 7, 2019, the auditor received the Supplementary Schedules for FY09, and FY12 through FY18. In addition, the auditor received the State Treasurer Revenue Remittance Forms for FY16 through FY18. On February 8, 2019, the auditor received Victim Assistance Expenditures for FY14 through FY18, the STRRFs for August 2013 through October 2013, December 2013 and FY14 through FY15. Also the bank account statements for August 2017 through December 2017 and January 2018 through May 2018 were received and reviewed as well.

Upon reviewing the received documents, the DCVC Auditor determined the following:

- The Victim Assistance funds were not maintained in a separate account.
- The Supplementary Schedules were accurate when balanced with the submitted State Treasurer Revenue Remittance Form.
- The expenditures fluctuated from year to year.

During the audit site visit on February 20, 2019, the auditor requested additional documentation to include but not limited to: the Annual Audit Supplemental Schedules for FY10 through FY11 and detailed victim assistance expense reports from FY09 through FY18.

### **Bank Account Information**

Prior to the audit site visit on February 20, 2019, the auditor requested and received the bank account statements and Supplementary Schedules for the Victim Assistance Fund.

However, the auditor was not able to determine if the bank account statements submitted included the amounts shown on the Supplementary Schedules. Therefore, during the site visit interview with the Clerk of Court and Town Administrator, the auditor inquired whether the City of Mullins had a separate bank account for the Victim Assistance Fund. The auditor advised city officials that although a separate bank account was not mandatory, it was a best practice or they could choose to have a separate ledger for the fund even if they do not have a separate bank account. They were reminded of the law as it relates to not comingling the funds. It was confirmed that the city did not have a separate bank account containing just the Victim Assistance Fund and they could not confirm if there was a separate ledger. The ledger is maintained by the city's accountant.

Therefore, on March 5, 2019, the city's accountant confirmed account information by stating the following: *the City only records all police/court fines in one general ledger account, and this includes victims advocate. The victims advocate revenue portion is not broken out separately on the ledger, only in the back schedule of the financial statements annually and the monthly SC treasurer reports.*

On March 21, 2019, the Town Administrator sent an email notifying the auditor that the city had opened a new bank account for the Victim Assistance Funds. However, there was a zero balance in the account at this time because the city was unsure of the amount to place in the account. Therefore the auditor was tasked with determining the account amount for the fund. The auditor advised that bank verification was needed for the new account but city officials could send verification after the auditor determined the accurate account balance to be deposited into the Victim Assistance account.

### **Fund Revenue**

Prior to the audit site visit on February 20, 2019, the auditor received the STRRF for August 2013 through October 2013, December 2013, FY14 through FY18, and Supplementary Schedules for FY09 and FY12 through FY18. In addition, during the audit site visit, the auditor received Supplementary Schedules for FY10 through FY11. Upon review of the acquired documents, the auditor concluded the revenue was correct that was reported on the Supplementary Schedules. The STRRF for FY 09 through FY13 were not available

for verification due to a fire in the city that destroyed the city's documentation according to city officials.

Therefore, since the STRRF for FY14 through FY18 were determined to be accurate with the Supplementary Schedules, the auditor accepted the Supplementary Schedules as confirmed revenue for FY09 through FY13. As a result, this information was used to determine revenue for the Victim Assistance Fund. Also, the revenue for the remaining years was verified from the STRRF along with the Supplementary Schedules.

### **Expenditure Procedures**

During the audit site visit on February 20, 2019, the auditor interviewed both the Clerk of Court and the City of Mullins Interim Administrator to determine the procedures for requesting Victim Assistance Fines, Fees and Assessment Funds. The auditor was advised the city was not currently disbursing these funds. In addition, the city did not currently have a treasurer and their accounting services are outsourced. Upon return to the office, the auditor inquired about and received contact information for the City's Accountant. On February 21, 2019, the DCVC Auditor spoke with the City's Accountant regarding the city's accounting procedures. The City's Accountant advised that the city forwarded all invoices to their office after they are coded by the City's Clerk. The City's Accountant is then responsible for entering the invoices and producing the expenditure reports.

The DCVC Auditor determined during the site visit interview that the Clerk of Court and the Interim City Administrator did not have a good understanding of the Victim Assistance Fines, Fees, and Assessment Fund. Therefore, the auditor provided technical assistance by informing them of how the funds are collected, distributed, and accounted for within the municipality. The auditor further advised that the city is required to put procedures in writing for requesting and distributing these funds and providing copies to all relevant parties for future reference.

### **Expenditure Reports**

During the site visit, the DCVC Auditor advised city officials they were to submit the remaining available requested detailed expense reports with supporting documentation for FY09 through FY18.

On February 22, 2019, the auditor received an email with expenditure reports and supporting documentation for years 2011 through 2018. The DCVC Auditor reviewed the reports and documentation and verified all expenses were allowable.

However, upon review, the auditor noted various fluctuations in the expenses in the account over the years for the advocate's salary. As a result, the auditor requested additional salary information from the Interim City Administrator for review.

The Interim City Administrator provided victim advocate salary information for the years within the audit scope of FY09 through FY18. The auditor also further inquired about the advocate's salary fluctuations and was advised by the Interim City Administrator that this was due to personnel changes. These salary amounts are outlined on page 18 of the Schedule A Chart.

During FY09 through FY12, Supplementary Schedules noted the Victim Assistance Fund expense exceeded the revenue collected. However, in an effort to avoid carrying a negative balance forward, the city showed expenses equal to the revenue amounts. The city allocated the Victim Advocate salary at 50% from FY09 through FY12. However, the city was unable to provide time and activity reports to justify the 50%. According to the DCVC budget log and documentation received, the city was given a percentage of 5% for the victim advocate due to the dual roles of this position in August 2014. Therefore, in an effort to assist the city, DCVC allowed the 5% to be considered for FY09 through FY12. This resulted in an adjustment in the fund for the remaining 45% that was used for salary. During this timeframe, the city's records for FY09 through FY12 retained in the police department were destroyed in a fire, and the police department was displaced. The timeline for the fire and the displacement of the police department is outlined in this audit report. The auditor further noted, in FY15 through FY18 that the city did not account for the Victim Advocate's salary expense. Again, in an effort to assist the city and maintain consistency, the auditor calculated the expense amount for the above years and adjusted the Victim Assistance Fund by the 5% given to the city in August 2014. These amounts are shown in the Schedule A Chart on line (f) on page 18.

### **Fund Accounting**

Since the city was not able to show a current balance in the Victim Assistance account, the DCVC Auditor was tasked with determining the balance for the account by reconciling the STRRF

and expenses. The balance in the Victim Assistance Account at the end of this audit scope which was from FY09 through FY18 should have been **\$41,160.81**.

The above amount is summarized in the Schedule A Chart as outlined below and shown on the following pages:

- Line (a) represents the revenue on the Supplementary Schedule that was used to confirm the amount of money collected
- Line (b) represents the expenditures on the Supplementary Schedule
- Line (c) represents the yearly carryforward balance found on the Supplementary Schedule
- Line (d) represent the Victim Assistance account carryforward balance at the end of the fiscal year on the Supplementary Schedule
- Line (e) represents the yearly Victim Advocate's salary paid by the city
- Line (f) represents the amount of Victim Advocate's yearly salary based upon the allowable 5% expenditure provided by DCVC in August 2014
- Line (g) represents the adjusted yearly carryforward balance (Difference between (c) Carryforward balance for the fiscal year reported on Supplementary Schedule and ( f) Expense calculated based on the 5% given by DCVC in August 2014)
- Line (h) represents the balance that should be in the Victim Assistance Account each fiscal year during the audit scope which is FY09 through FY18.

The information above outlines each section on the Schedule A Chart and explains how the auditor determined as of June 30, 2018 that **\$41,160.81** is the amount that should initially be in the Victim Assistance Account.

- This chart outlines how the auditor determined the amount to be placed in the Victim Assistance Fund.
- The following chart on page 19 outlines the revenue noted from the State Treasurer Revenue Remittance Forms for July 2018 to March 2019.

To determine the total amount of funds for the Victim Assistance Account as of March 31, 2019, the auditor added the amounts collected for FY 19 as outlined below to the balance of \$41,160.81 to get a final amount. Therefore, the total amount required to be in the Victim Assistance Account as of March 31, 2019 is \$45,335.83. The additional revenue added to the \$41,160.81 is summarized below in the Additional Revenue Chart:

**Discussion**

Prior to the initial audit site visit on February 20, 2019, the auditor requested a copy of the victim assistance policies and procedures. However, the documents were not received by the auditor. During the site visit, the auditor was advised of information regarding victim services provided by the sheriff's office.

The Captain of Operations stated as of April 2018, the city did not have a victim advocate. However, services for crime victims were provided by the Marion County Sheriff's Office. Although the city has maintained a dual role advocate in the past, they have chosen not to fill this position at this time. The city is awaiting the conclusion of this audit to pursue a contract with the Marion County Sheriff's Office. Therefore, the county would provide the victim assistance needed for the City of Mullins.

The auditor inquired about whether the city has policies and procedures for providing services to crime victims and was advised the city does have policies and procedures in place. However the auditor was informed they were not in writing. The auditor recommended the city prepare written policies and procedures, distribute to all relevant parties, and submit a copy to DCVC. Currently, the responding officer gives the victim a copy of the victims' rights forms which includes the case number, bond date, and phone numbers to contact Marion County for victim assistance. The City Administrator provided a copy of this information to the auditor and stated that LawTrak is used to track victims.

Upon return to the office, the auditor requested and received a copy of statistical reports for the past two years. According to the statistical reports, the city assisted eleven victims for FY17 and eleven victims for FY18.

**C. Reporting Requirements****Objective**

Did the City of Mullins maintain Victim Assistance Fines, Fees and Assessment Fund reporting requirements as it relates to State law?

---

**Conclusion**

Yes, the City of Mullins completed all reporting requirements in accordance with State law. The Town is current with all annual financial audits as required by State law and is compliant with monthly submission of State Treasurer Revenue Remittance Form's (STRRF) as required by State law.

**Discussion****Annual Financial Audit**

South Carolina Code of Laws Section 14-1-208 (E) states: *To ensure that fines and assessments imposed pursuant to this section and Section 14-1-209(A) are properly collected and remitted to the State Treasurer, the annual independent external audit required to be performed for each municipality pursuant to Section 5-7-240 must include a review of the accounting controls over the collection, reporting, and distribution of fines and assessments from the point of collection to the point of distribution and a Uniform Supplementary Schedule Form detailing all fines and assessments collected at the court level, yje amount remitted to the municipal treasurer and the amount remitted to the State Treasurer.*

According to the South Carolina State Treasurer's website, the City of Mullins is not listed on the delinquent audit list for municipalities. The city provided the auditor with the annual independent audit reports from July 1, 2009 through June 30, 2017 and all associated Supplemental Schedules. As of the site visit February 20, 2019, the city had only a draft for the audit dated June 30, 2018.

### **State Treasurer's Revenue Remittance (STRRF)**

Section 14-1-208(B) of the 1976 South Carolina Code of Laws, as amended states: *The city treasurer must remit 11.16 percent of the revenue generated by the assessment imposed in subsection (A) to the municipality to be used for the purposes set forth in subsection (D) and remit the balance of the assessment revenue to the State Treasurer on a monthly basis by the fifteenth day of each month and make reports on a form and in a manner prescribed by the State Treasurer. Assessments paid in installments must be remitted as well.*

On February 8, 2019 and February 9, 2019, the City of Mullins submitted the requested STRRFs for August 2013 through October 2013, December 2013, and FY14 through FY18 to the auditor for review. The auditor randomly selected a sample of 12 months to assess whether the STRRF was submitted in accordance with State law. Based on the submission dates provided on the selected sample, there were no occurrences of STRRF being submitted after the fifteenth day of each month as outlined by State law. Therefore, the City of Mullins is compliant.

**Background**

DCVC Audit Department File Log

City of Mullins Interim City Administrator

**Discussion**

According to the DCVC audit file there was a note dated April 26, 2012 stating as of January 2010 the city did not hold court, have elected officials, or collect fines, fees, and assessments. However, as of April 15, 2013, the DCVC audit file notates the City of Mullins holding court and having a police department. As a result of the conflicting information, the DCVC Auditor inquired about the status of the City of Mullins' Police Department during the scope of this audit which is FY09 through FY18.

During the site visit on February 20, 2019, the DCVC Auditor inquired if the police department was in operation during the scope of this audit (specifically FY10 through FY11). The auditor was advised the police department was displaced for a while due to a series of events outlined below. However, the department has always been in operation. The auditor requested a timeline of the events affecting the police department due to the fire. On February 22, 2019, the auditor received an e-mail from the Interim City Administrator with the following information regarding the city's police department:

**Police Department Timeline from Interim City Administrator:**

Summer of 2011	The Police Department moved from 157 E Front Street due to poor building conditions including mold exposure and roof caving in
Summer of 2011	The Police Department moved into City Hall at 151 E Front Street
April 2012	Left due to Fire and smoke damage to City Hall
April 2012	Moved into temporary trailers in the Parking lot of City Hall
	Moved into the Fire Department Rescue Building
	Moved into a vacant store front on Main Street
September 2014	Moved back into remodeled City Hall at 151 E Front Street

For further verification, the auditor requested a copy of the financial audit and STRRF for FY10 through FY11. The auditor was advised the town did not have copies of the STRRF. As a result, the auditor called the State Treasurer's Office to inquire if the statements were available through their office. The auditor was advised the State Treasurer's Office could research and find the statements. However, they stated it would be time consuming. Therefore, based upon the accuracy of the Supplementary Schedules for previous years, the auditor determined that from FY10 through FY11 that the Supplementary Schedules would be used to verify and confirm the revenue. The auditor received from the Clerk of Court a copy of the requested financial audits which included the Supplementary Schedules. Therefore, the City of Mullins is compliant.

*Act 96 (C) states:*

*“Any entity or nonprofit organization receiving victim assistance funding must cooperate and provide expenditure and program data requested by the division. If the division finds an error, the entity or nonprofit organization has ninety days to rectify the error. An error constitutes an entity or nonprofit organization spending victim assistance funding on unauthorized items as determined by the division. If the entity or nonprofit organization fails to cooperate with the programmatic review and financial audit or to rectify the error within ninety days, the division shall assess and collect a penalty in the amount of the unauthorized expenditure plus fifteen hundred dollars against the entity or nonprofit organization for improper expenditures. This penalty which includes the fifteen hundred dollars must be paid within thirty days of the notification by the division to the entity or nonprofit organization that the entity or nonprofit organization is in noncompliance with the provisions of this section. All penalties received by the division shall be credited to the general fund of the State. If the penalty is not received by the division within thirty days of the notification, the political subdivision must deduct the amount of the penalty from the entity's or nonprofit organization's subsequent fiscal year appropriation.”*

**The City of Mullins was informed at the conclusion of the site visit that there were some errors as noted in this report. The findings were discussed with the Interim City Administrator, Clerk of Court, Chief of Police and the Captain of Operations. They were advised that this Financial and Programmatic Audit Review will warrant the need for further review with management. Unless otherwise noted, the 90 Day window to correct all errors will begin ten business days following the completion date noted on this report.**

DCVC completed the site visit on February 20, 2019 and issued the final report to the City of Mullins on June 20, 2019.

On September 20, 2019, the Department of Crime Victim Compensation will schedule to meet with applicable departments in the City of Mullins for the 90 Day Follow-up Audit Review for errors found and noted in this report.
