Dear Sir:

Your letter of April 21, 1976, concerning construction bid opening for Hillcrest High School renovations has been assigned by Mr. McLeod to me for answer. The contract for construction herein involved, is to be let by the Greenville County School District. It is this Office's understanding that there are no State monies involved in the current renovations of Hillcrest High School. In that there is no State money involved, the bid opening would not be governed by State laws. Therefore, you should contact the school district attorney for the Greenville County School District. The contract would be governed by the applicable laws of Greenville County. If this Office may be of further assistance, please do not hesitate to contact us.

Yours very truly,

M. Elizabeth Crum
