Subaward(s):

To comply with the Office on Violence Against Women (OVW) Prosecution Certification training requirement, noted in award's Term and Condition #99 and Special Conditions, the South Carolina Attorney General's Office hosted a four-part training series on victim-centered prosecution. The training videos are available on the [Department of Crime Victim Assistance website](#). All staff at prosecution offices working on VAWA cases (domestic and dating violence, sexual assault, stalking) who engage meaningfully with victims must view all four videos in the series to be compliant with this certification.

By signing below, I certify that all relevant staff members have completed the required four-part training on victim-centered prosecution, and that any staff members added to VAWA cases throughout the grant year will complete the training.
