

1972 WL 25367 (S.C.A.G.)

Office of the Attorney General

State of South Carolina

June 27, 1972

\*1 Mr. W. K. Marsh  
Deputy Director  
Planning and Development  
Department of Parks, Recreation and Tourism  
Post Office Box 1358  
Columbia, South Carolina 29202

Dear Mr. Marsh:

You have requested an opinion from this office as to whether or not the South Carolina Department of Parks, Recreation and Tourism can dispose of the real property which it acquired from the South Carolina Tricentennial Commission.

It appears that Section 2, Act Number 610, 1971 Statutes at Large gives the Department the authority to control the future operation and disposition of the Tricentennial property as it deems best upon the advice of the Committee on Tourism and the Spirit of 1776 Commission and upon approval of the State Budget and Control Board.

It is therefore the opinion of this office that the Department can dispose of the property if the conditions stated above are met and subject to the limitations set out in Open-Space Land Contract No. S.C. OSA-5(DL)(G), an agreement between the Tricentennial Commission and the United States Department of Housing and Urban Development.

I hope that this information will be of assistance to you.

Sincerely,

Kenneth W. Fish  
Law Clerk
