Article 4 Authorized Delegates

Section 35-11-400. (A) In this section, "remit" means to make direct payments of money to a licensee or its representative authorized to receive money or to deposit money in a bank in an account specified by the licensee.

(B) Before a licensee is authorized to conduct business through an authorized delegate or allows a person to act as the licensee's authorized delegate, the licensee must:

- (1) adopt, and update as necessary, written policies and procedures reasonably designed to ensure that the licensee's authorized delegates comply with applicable state and federal law;

- (2) enter into a written contract that complies with Section 35-11-400(D); and

- (3) conduct a reasonable risk-based background investigation sufficient for the licensee to determine whether the authorized delegate has complied and will likely comply with applicable state and federal law.

(C) An authorized delegate must operate in full compliance with this chapter.

(D) The written contract required by Section 35-11-400(B) must be signed by the licensee and the authorized delegate and, at a minimum, must:

- (1) appoint the person signing the contract as the licensee's authorized delegate with the authority to conduct money transmission on behalf of the licensee;

- (2) set forth the nature and scope of the relationship between the licensee and the authorized delegate and the respective rights and responsibilities of the parties;

- (3) require the authorized delegate to agree to fully comply with all applicable state and federal laws, rules, and regulations pertaining to money transmission, including

this chapter and regulations implementing this chapter, relevant provisions of the Bank Secrecy Act and the USA Patriot Act;

(4) require the authorized delegate to remit and handle money and monetary value in accordance with the terms of the contract between the licensee and the authorized delegate;

(5) impose a trust on money and monetary value net of fees received for money transmission for the benefit of the licensee;

(6) require the authorized delegate to prepare and maintain records as required by this chapter or regulations implementing this chapter, or as reasonably requested by the Commissioner;

(7) acknowledge that the authorized delegate consents to examination or investigation by the Commissioner;

(8) state that the licensee is subject to regulation by the Commissioner and that, as part of that regulation, the Commissioner may suspend or revoke an authorized delegate designation or require the licensee to terminate an authorized delegate designation; and

(9) acknowledge receipt of the written policies and procedures required under Section 35-11-400(B)(1).

(E) If the licensee's license is suspended, revoked, surrendered, or expired, the licensee must, within five business days, provide documentation to the Commissioner that the licensee has notified all applicable authorized delegates of the licensee whose names are in a record filed with the Commissioner of the suspension, revocation, surrender, or expiration of a license. Upon suspension, revocation, surrender, or expiration of a license, applicable authorized delegates shall immediately cease to provide money transmission as an authorized delegate of the licensee.

(F) An authorized delegate of a licensee holds in trust for the benefit of the licensee all money net of fees received from money transmission. If any authorized delegate commingles any funds received from money transmission with any other funds or property owned or controlled by the authorized delegate, all commingled funds and other property shall be considered held in trust in favor of the licensee in an amount equal to the amount of money net of fees received from money transmission.

(G) An authorized delegate may not use a subdelegate to conduct money services on behalf of a licensee.

Section 35-11-405. A person may not provide money services on behalf of a person not licensed pursuant to this chapter or not exempt pursuant to Section 35-11-110. A person that engages in that activity provides money services to the same extent as if the person were a licensee and is jointly and severally liable with the unlicensed or nonexempt person.

Article 5 Examinations, Reports, and Records

Section 35-11-500. (A) The Commissioner may conduct an examination or investigation of a licensee or of any of the licensee's authorized delegates or otherwise take independent action authorized by this chapter or by a rule or order issued under this chapter as reasonably necessary or appropriate to administer and enforce this chapter, regulations implementing this chapter, and other applicable law, including the Bank Secrecy Act and the USA Patriot Act. The Commissioner may:

- (1) conduct an examination either on-site or off-site as the Commissioner may reasonably require;
- (2) conduct an examination in conjunction with an examination conducted by representatives of other state agencies or agencies of another state or of the federal government;
- (3) accept the examination report of another state agency or an agency of another state or of the federal government, or a report prepared by an independent accounting firm, which on being accepted is considered for all purposes as an official report of the Commissioner; and
- (4) summon and examine under oath a key individual or employee of a licensee or authorized delegate and require the person to produce records regarding any matter related to the condition and business of the licensee or authorized delegate.

(B) A licensee or authorized delegate shall provide, and the Commissioner shall have full and complete access to, all records the Commissioner may reasonably require to conduct a complete examination. The records must be provided at the location and in the format specified by the Commissioner, provided, the Commissioner may utilize multistate record production standards and examination procedures when such standards will reasonably achieve the requirements of this section.

(C) If the Commissioner concludes that an examination is necessary pursuant to subsection (A), the licensee shall pay the reasonable cost of the examination.

(D) Information obtained during an examination pursuant to this chapter may be disclosed only as provided in Section 35-11-530.

Section 35-11-505. (A) To efficiently and effectively administer and enforce this chapter and to minimize regulatory burden, the Commissioner is authorized and encouraged to participate in multistate supervisory processes established between states and coordinated through the Conference of State Bank Supervisors, Money Transmitter Regulators Association, and affiliates and successors thereof for all licensees that hold licenses in this State and other states. As a participant in multistate supervision, the Commissioner shall:

- (1) cooperate, coordinate, and share information with other state and federal regulators in accordance with Section 35-11-530;
- (2) enter into written cooperation, coordination, or information-sharing contracts or agreements with organizations the membership of which is made up of state or federal governmental agencies; and
- (3) cooperate, coordinate, and share information with organizations the membership of which is made up of state or federal governmental agencies, provided that the organizations agree in writing to maintain the confidentiality and security of the shared information in accordance with Section 35-11-530.

(B) The Commissioner may not waive, and nothing in this section constitutes a waiver of, the Commissioner's authority to conduct an examination or investigation or otherwise take independent action authorized by this chapter, or a rule adopted or order issued under this chapter, to enforce compliance with applicable state or federal law.

(C) A joint examination or investigation, or acceptance of an examination or investigation report, does not waive an examination assessment provided for in this chapter.

Section 35-11-510. (A) A licensee shall file with the Commissioner within fifteen business days any material changes in information provided in a licensee's application as prescribed by the Commissioner.

(B) Each licensee shall submit a report of authorized delegates within forty-five days of the end of the calendar quarter. The Commissioner is authorized and encouraged to utilize NMLS for the submission of the report required by this subsection provided that such functionality is consistent with the requirements of this subsection. The authorized delegate report must include, at a minimum, each authorized delegate's:

- (1) company legal name;
- (2) taxpayer employer identification number;
- (3) principal provider identifier;
- (4) physical address;

- (10) end date acting as licensee's authorized delegate, if applicable; and
- (11) any other information the Commissioner reasonably requires with respect to the authorized delegate.

(C) A licensee shall file a report with the Commissioner within one business day after the licensee has reason to know of the occurrence of any of the following events:

- (1) the filing of a petition by or against the licensee under the United States Bankruptcy Code, 11 U.S.C. Section 101-110, as amended or recodified from time to time, for bankruptcy or reorganization;
- (2) the filing of a petition by or against the licensee for receivership, the commencement of another judicial or administrative proceeding for its dissolution or reorganization, or the making of a general assignment for the benefit of its creditors; or
- (3) the commencement of a proceeding to revoke or suspend its license in a state or country in which the licensee engages in business or is licensed.

(D) A licensee shall file a report with the Commissioner within three business days after the licensee has reason to know of the occurrence of any of the following events:

- (1) a charge or conviction of the licensee or of a key individual or person in control of the licensee for a felony; or

(2) a charge or conviction of an authorized delegate for a felony.

(E) Each licensee shall submit a report of condition within forty-five days of the end of the calendar quarter, or within any extended time as the Commissioner may prescribe. The report of condition must include:

(1) financial information at the licensee level;

(2) nationwide and state-specific money transmission transaction information in every jurisdiction in the United States where the licensee is licensed to engage in money transmission;

(3) permissible investments report;

(4) transaction destination country reporting for money received for transmission, if applicable, which shall only be included in a report of condition submitted within forty-five days of the end of the fourth calendar quarter; and

(5) any other information the Commissioner reasonably requires with respect to the licensee. The Commissioner is authorized and encouraged to utilize NMLS for the submission of the report required by this subsection and is authorized to change or update as necessary the requirements of this subsection to carry out the purposes of this chapter and maintain consistency with NMLS reporting.

(F) Each licensee, within ninety days after the end of each fiscal year, or within any extended time as the Commissioner may prescribe, shall file with the Commissioner:

(1) an audited financial statement of the licensee for the fiscal year prepared in accordance with United States Generally Accepted Accounting Principles, prepared by an independent certified public accountant or independent public accountant who is satisfactory to the Commissioner, which must include or be accompanied by a certificate of opinion of the independent certified public accountant or independent public accountant that is satisfactory in form and content to the Commissioner. If the certificate or opinion is qualified, the Commissioner may order the licensee to take any action as the Commissioner may find necessary to enable the independent or certified public accountant or independent public accountant to remove the qualification; and

(2) any other information as the Commissioner may reasonably require.

Section 35-11-515. (A) Any person, or group of persons acting in concert, seeking to acquire control of a licensee shall obtain the written approval of the Commissioner

prior to acquiring control. An individual is not deemed to acquire control of a licensee and is not subject to these acquisition of control provisions when that individual becomes a key individual in the ordinary course of business.

(B) A person, or group of persons acting in concert, seeking to acquire control of a licensee, in cooperation with the licensee, shall:

(1) submit an application in a form and in a medium prescribed by the Commissioner; and

(2) submit a nonrefundable fee of one thousand dollars with the request for approval.

(C) Upon request, the Commissioner may permit a licensee or the person, or group of persons acting in concert, to submit some or all information required by the Commissioner pursuant to Section 35-11-515(B)(1) without using NMLS.

(D) The application required by Section 35-11-515(B)(1) must include information required by Section 35-11-210 for any new key individuals that have not previously completed the requirements of Section 35-11-210 for a licensee.

(E) When an application for acquisition of control under this section appears to include all the items and addresses all of the matters that are required, the application must be considered complete and the Commissioner shall promptly notify the applicant in a record of the date on which the application was determined to be complete and:

(1) the Commissioner shall approve or deny the application within sixty days after the completion date; or

(2) if the application is not approved or denied within sixty days after the completion date:

(a) the application is approved;

(b) the person, or group of persons acting in concert, are not prohibited from acquiring control; and

(c) the Commissioner may for good cause extend the application period.

(F) A determination by the Commissioner that an application is complete and is accepted for processing means only that the application, on its face, appears to include all of the items and address all of the matters that are required, and is not an

assessment of the substance of the application or of the sufficiency of the information provided.

(G) When an application is filed and considered complete under subsection (E), the Commissioner shall investigate the financial condition and responsibility, financial and business experience, character, and general fitness of the person, or group of persons acting in concert, seeking to acquire control. The Commissioner shall approve an acquisition of control pursuant to this section if the Commissioner finds that all of the following conditions have been fulfilled:

- (1) the requirements of subsections (B) and (D) have been met, as applicable; and
- (2) the financial condition and responsibility, financial and business experience, competence, character, and general fitness of the person, or group of persons acting in concert, seeking to acquire control; and the competence, experience, character, and general fitness of the key individuals and persons that would be in control of the licensee after the acquisition of control indicate that it is in the interest of the public to permit the person, or group of persons acting in concert, to control the licensee.

(H) The Commissioner shall issue a formal written notice of the denial of an application to acquire control within thirty days of the decision to deny the application. The Commissioner shall set forth in the notice of denial the specific reasons for the denial of the application. An applicant whose application is denied by the Commissioner under this section may request a hearing within thirty days after receipt of the written notice of the denial pursuant to Section 35-11-710.

(I) The requirements of subsections (A) and (B) do not apply to any of the following:

- (1) a person that acts as a proxy for the sole purpose of voting at a designated meeting of the shareholders or holders of voting shares or voting interests of a licensee or a person in control of a licensee;
- (2) a person that acquires control of a licensee by devise or descent;
- (3) a person that acquires control of a licensee as a personal representative, custodian, guardian, conservator, or trustee, or as an officer appointed by a court of competent jurisdiction or by operation of law;
- (4) a person that is exempt under Section 35-11-110(A)(4);
- (5) a person that the Commissioner determines is not subject to subsection (A) based on the public interest;

(6) a public offering of securities of a licensee or a person in control of a licensee; or

(7) an internal reorganization of a person in control of the licensee where the ultimate person in control of the licensee remains the same.

(J) Persons in subsection (I)(2), (3), (4), (6), and (7), in cooperation with the licensee, shall notify the Commissioner within fifteen days after the acquisition of control.

(K)(1) The requirements of subsections (A) and (B) do not apply to a person that has complied with and received approval to engage in money transmission under this chapter or was identified as a person in control in a prior application filed with and approved by the Commissioner or by an MSB-accredited state pursuant to a multistate licensing process, provided that:

(a) the person has not had a license revoked or suspended or controlled a licensee that has had a license revoked or suspended while the person was in control of the licensee in the previous five years;

(b) if the person is a licensee, the person is well managed and has received at least a satisfactory rating for compliance at its most recent examination by an MSB-accredited state if such rating was given;

(c) the licensee to be acquired is projected to meet the requirements of Sections 35-11-215, 35-11-230, and 35-11-600 after the acquisition of control is completed, and if the person acquiring control is a licensee, that licensee is also projected to meet the requirements of Sections 35-11-215, 35-11-230, and 35-11-600 after the acquisition of control is completed;

(d) the licensee to be acquired will not implement any material changes to its business plan as a result of the acquisition of control, and if the person acquiring control is a licensee, that licensee also will not implement any material changes to its business plan as a result of the acquisition of control; and

(e) the person provides notice of the acquisition in cooperation with the licensee and attests to subsection (K)(1)(a), (b), (c), and (d) in a form and in a medium prescribed by the Commissioner.

(2) If the notice is not disapproved within thirty days after the date on which the notice was determined to be complete, the notice is deemed approved.

(L) Before filing an application for approval to acquire control of a licensee a person may request in writing a determination from the Commissioner as to whether the

person would be considered a person in control of a licensee upon consummation of a proposed transaction. If the Commissioner determines that the person would not be a person in control of a licensee, the proposed person and transaction is not subject to the requirements of subsections (A) and (B).

(M)(1) A licensee adding or replacing any key individual shall:

(a) provide notice in a manner prescribed by the Commissioner within fifteen days after the effective date of the key individual's appointment; and

(b) provide information as required by Section 35-11-210 within forty-five days of the effective date.

(2) Within ninety days of the date on which the notice provided pursuant to item (1) was determined to be complete, the Commissioner may issue a notice of disapproval of a key individual if the competence, experience, character, or integrity of the individual would not be in the best interest of the public or the customers of the licensee to permit the individual to be a key individual of such licensee.

(3) A notice of disapproval must contain a statement of the basis for disapproval and must be sent to the licensee and the disapproved individual. A licensee may request a hearing regarding a notice of disapproval, within thirty days after receipt of such notice of disapproval pursuant to Section 35-11-710.

(4) If the notice provided pursuant to item (1) is not disapproved within ninety days after the date on which the notice was determined to be complete, the key individual is deemed approved.

Section 35-11-520. (A) A licensee shall maintain the following records for determining its compliance with this chapter for at least three years:

(1) a record of each outstanding money transmission obligation sold;

(2) a general ledger posted at least monthly containing all asset, liability, capital, income, and expense accounts;

(3) bank statements and bank reconciliation records;

(4) records of outstanding money transmission obligations;

(5) records of each money transmission obligation paid within the three-year period;

(6) a list of the last known names and addresses of all of the licensee's authorized delegates; and

(7) other records the Commissioner reasonably requires by rule.

(B) The items specified in subsection (A) may be maintained in any form of record.

(C) Records may be maintained outside this State if they are made accessible to the Commissioner on a seven business-day notice that is sent in a record.

(D) All records maintained by the licensee as required in subsections (A) through (C) are open to inspection by the Commissioner pursuant to Section 35-11-500.

Section 35-11-525. (A) A licensee and an authorized delegate shall file with the Commissioner all reports required by federal currency reporting, recordkeeping, and suspicious transaction reporting requirements as set forth in the Bank Secrecy Act and other federal and state laws pertaining to money laundering.

(B) The timely filing of a complete and accurate report required pursuant to subsection (A) with the appropriate federal agency is in compliance with the requirements of subsection (A), unless the Commissioner notifies the licensee that reports of this type are not being regularly and comprehensively transmitted by the federal agency to the Commissioner.

Section 35-11-530. (A) Except as otherwise provided in subsection (B), all information or reports obtained by the Commissioner from an applicant, licensee, or authorized delegate, and all information contained in or related to an examination, investigation, operating report, or condition report prepared by, on behalf of, or for the use of the Commissioner, or financial statements, balance sheets, or authorized delegate information, are confidential and are not subject to disclosure under Section 30-4-10, et seq.

(B) The Commissioner may disclose information not otherwise subject to disclosure under subsection (A) to representatives of state or federal agencies who promise in a record that they will maintain the confidentiality of the information or where the Commissioner finds that the release is reasonably necessary for the protection and interest of the public in accordance with Section 30-4-10, et seq.

(C) This section does not prohibit the commissioner from disclosing to the public a list of persons licensed under this chapter or the aggregated financial data concerning those licensees.

(D) Information contained in the records of the Commissioner that is not confidential and may be made available to the public either on the Commissioner's website, upon receipt by the Commissioner of a written request, or in NMLS must include:

- (1) the name, business address, telephone number, and unique identifier of a licensee;
- (2) the business address of a licensee's registered agent for service;
- (3) the name, business address, and telephone number of all authorized delegates;

- (6) imposition of an administrative fine or penalty under this chapter.

Section 35-11-535. (A) Every licensee shall forward all money received for transmission in accordance with the terms of the agreement between the licensee and the sender unless the licensee has a reasonable belief or a reasonable basis to believe that the sender may be a victim of fraud or that a crime or violation of law, rule, or regulation has occurred, is occurring, or may occur.

(B) If a licensee fails to forward money received for transmission in accordance with this section, the licensee must respond to inquiries by the sender with the reason for the failure unless providing a response would violate a state or federal law, rule, or regulation.

Section 35-11-540. (A) This section does not apply to:

- (1) money received for transmission subject to the federal Remittance Rule, 12 C.F.R. Part 1005, Subpart B, as amended or recodified from time to time; or
- (2) money received for transmission pursuant to a written agreement between the licensee and payee to process payments for goods or services provided by the payee.

(B) Every licensee shall refund to the sender within ten days of receipt of the sender's written request for a refund of any and all money received for transmission unless any of the following occurs:

- (1) the money has been forwarded within ten days of the date on which the money was received for transmission;

(2) instructions have been given committing an equivalent amount of money to the person designated by the sender within ten days of the date on which the money was received for transmission;

(3) the agreement between the licensee and the sender instructs the licensee to forward the money at a time that is beyond ten days of the date on which the money was received for transmission. If funds have not yet been forwarded in accordance with the terms of the agreement between the licensee and the sender, the licensee shall issue a refund in accordance with the other provisions of this section;

(4) the refund is requested for a transaction that the licensee has not completed based on a reasonable belief or a reasonable basis to believe that a crime or violation of law, rule, or regulation has occurred, is occurring, or may occur; or

(5) the refund request does not enable the licensee to:

(a) identify the sender's name and address or telephone number; or

(b) identify the particular transaction to be refunded in the event the sender has multiple transactions outstanding.

Section 35-11-545. (A) This section does not apply to:

(1) money received for transmission subject to the federal Remittance Rule, 12 C.F.R. Part 1005, Subpart B, as amended or recodified from time to time;

(2) money received for transmission that is not primarily for personal, family, or household purposes;

(3) money received for transmission pursuant to a written agreement between the licensee and payee to process payments for goods or services provided by the payee; or

(4) payroll processing services.

(B) For purposes of this article, "receipt" means a paper receipt, electronic record, or other written confirmation. For a transaction conducted in person, the receipt may be provided electronically if the sender requests or agrees to receive an electronic receipt. For a transaction conducted electronically or by phone, a receipt may be provided electronically. All electronic receipts shall be provided in a retainable form.

(C) Every licensee or its authorized delegate shall provide the sender a receipt for money received for transmission.

(1) The receipt must contain the following information, as applicable:

(a) the name of the sender;

(b) the name of the designated recipient;

(c) the date of the transaction;

(d) the unique transaction or identification number;

(e) the name of the licensee, NMLS Unique ID, the licensee's business address, and the licensee's customer service telephone number;

(f) the amount of the transaction in United States dollars;

(h) any taxes collected by the licensee from the sender for the transaction.

(2) The receipt required by this section shall be in English and in the language principally used by the licensee or authorized delegate to advertise, solicit, or negotiate, either orally or in writing, for a transaction conducted in person, electronically or by phone, if other than English.

Section 35-11-550. Every licensee or authorized delegate shall include on a receipt or disclose on the licensee's website or mobile application the name and phone number of the South Carolina Office of Attorney General and a statement that the licensee's customers can contact the Commissioner with complaints about the licensee's money transmission services.

Article 6 Permissible Investments

Section 35-11-600. (A) A licensee shall maintain at all times permissible investments that have a market value computed in accordance with generally accepted accounting principles of not less than the aggregate amount of all of its outstanding money transmission obligation.

(B) Except for permissible investments enumerated in Section 35-11-605(A), the Commissioner, with respect to any licensee, may, by rule or order, limit the extent to

which a specific investment maintained by a licensee within a class of permissible investments may be considered a permissible investment, if the specific investment represents undue risk to customers, not reflected in the market value of the investments.

(C) Permissible investments, even if commingled with other assets of the licensee, are held in trust for the benefit of the purchasers and holders of the licensee's money transmission obligations in the event of insolvency, the filing of a petition by or against the licensee under the United States Bankruptcy Code, 11 U.S.C. Section 101-110, as amended or recodified from time to time, for bankruptcy or reorganization, the filing of a petition by or against the licensee for receivership, the commencement of any other judicial or administrative proceeding for its dissolution or reorganization, or in the event of an action by a creditor against the licensee who is not a beneficiary of this statutory trust. No permissible investments impressed with a trust pursuant to this section may be subject to attachment, levy of execution, or sequestration by order of any court, except for a beneficiary of this statutory trust.

(D) Upon the establishment of a statutory trust in accordance with subsection (C) or when any funds are drawn on a letter of credit pursuant to Section 35-11-605(A)(4), the Commissioner shall notify the applicable regulator of each state in which the licensee is licensed to engage in money transmission, if any, of the establishment of the trust or the funds drawn on the letter of credit, as applicable. Notice is deemed satisfied if performed pursuant to a multistate agreement or through NMLS. Funds drawn on a letter of credit, and any other permissible investments held in trust for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations, are deemed held in trust for the benefit of such purchasers and holders on a pro rata and equitable basis in accordance with statutes pursuant to which permissible investments are required to be held in this State, and other states, as applicable. Any statutory trust established hereunder must be terminated upon extinguishment of all of the licensee's outstanding money transmission obligations.

(E) The Commissioner, by regulation or by order, may allow other types of investments that the Commissioner determines are of sufficient liquidity and quality to be a permissible investment. The Commissioner is authorized to participate in efforts with other state regulators to determine that other types of investments are of sufficient liquidity and quality to be a permissible investment.

Section 35-11-605. (A) The following investments are permissible pursuant to Section 35-11-600:

(1) cash, including demand deposits, savings deposits, and funds in such accounts held for the benefit of the licensee's customers in a federally insured depository

financial institution, and cash equivalents including ACH items in transit to the licensee and ACH items or international wires in transit to a payee, cash in transit via armored car, cash in smart safes, cash in licensee-owned locations, debit card or credit card-funded transmission receivables owed by any bank, or money market mutual funds rated "AAA" by S&P, or the equivalent from any eligible rating service;

(2) certificates of deposit or senior debt obligations of an insured depository institution, as defined in Section 3 of the Federal Deposit Insurance Act, 12 U.S.C. Section 1813, as amended or recodified from time to time, or as defined under the federal Credit Union Act, 12 U.S.C. Section 1781, as amended or recodified from time to time;

(3) an obligation of the United States or a commission, agency, or instrumentality thereof; an obligation that is guaranteed fully as to principal and interest by the United States; or an obligation of a state or a governmental subdivision, agency, or instrumentality thereof;

(4) the full drawable amount of an irrevocable standby letter of credit for which the stated beneficiary is the Commissioner that stipulates that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds up to the letter of credit amount within seven days of presentation of the items required by subsection (A)(4)(c).

(a) The letter of credit must:

(i) be issued by a federally insured depository financial institution, a foreign bank that is authorized under federal law to maintain a federal agency or federal branch office in a state or states, or a foreign bank that is authorized under state law to maintain a branch in a state that bears an eligible rating or whose parent company bears an eligible rating and is regulated, supervised, and examined by United States federal or state authorities having regulatory authority over banks, credit unions, and trust companies;

(ii) be irrevocable, unconditional, and indicate that it is not subject to any condition or qualifications outside of the letter of credit;

(iii) not contain reference to any other agreements, documents, or entities, or otherwise provide for any security interest in the licensee; and

(iv) contain an issue date and expiration date, and expressly provide for automatic extension, without a written amendment, for an additional period of one year from the present or each future expiration date, unless the issuer of the letter of credit notifies

the Commissioner in writing by certified or registered mail or courier mail or other receipted means, at least sixty days prior to any expiration date, that the irrevocable letter of credit will not be extended.

(b) In the event of any notice of expiration or nonextension of a letter of credit issued under subsection (A)(4)(a)(iv), the licensee is required to demonstrate to the satisfaction of the Commissioner, fifteen days prior to expiration, that the licensee maintains and will maintain permissible investments in accordance with Section 35-11-600(A) upon the expiration of the letter of credit. If the licensee is not able to do so, the Commissioner may draw on the letter of credit in an amount up to the amount necessary to meet the licensee's requirements to maintain permissible investments in accordance with Section 35-11-600(A). Any such draw must be offset against the licensee's outstanding money transmission obligations. The drawn funds must be held in trust by the Commissioner or the Commissioner's designated agent, to the extent authorized by law, as agent for the benefit of the purchasers and holders of the licensee's outstanding money transmission obligations.

(c) The letter of credit must provide that the issuer of the letter of credit will honor, at sight, a presentation made by the beneficiary to the issuer of the following documents on or prior to the expiration date of the letter of credit:

(i) the original letter of credit, including any amendments; and

(ii) a written statement from the beneficiary stating that any of the following events have occurred:

(A) the filing of a petition by or against the licensee under the United States Bankruptcy Code, 11 U.S.C. Sections 101-110, as amended or recodified from time to time, for bankruptcy or reorganization;

(B) the filing of a petition by or against the licensee for receivership, or the commencement of any other judicial or administrative proceeding for its dissolution or reorganization;

(C) the seizure of assets of a licensee by a commissioner pursuant to an emergency order issued in accordance with applicable law, on the basis of an action, violation, or condition that has caused or is likely to cause the insolvency of the licensee; or

(D) the beneficiary has received notice of expiration or nonextension of a letter of credit and the licensee failed to demonstrate to the satisfaction of the beneficiary that the licensee will maintain permissible investments in accordance with Section 35-11-600(A) upon the expiration or nonextension of the letter of credit.

(d) The Commissioner may designate an agent to serve on the Commissioner's behalf as beneficiary to a letter of credit so long as the agent and letter of credit meet requirements established by the Commissioner. The Commissioner's agent may serve as agent for multiple licensing authorities for a single irrevocable letter of credit if the proceeds of the drawable amount for the purposes of this section are assigned to the Commissioner.

(2) the licensee does not cooperate with an examination or investigation by the Commissioner;

(3) the licensee engages in fraud, intentional misrepresentation, or gross negligence;

(4) an authorized delegate is convicted of a violation of a state or federal anti-money laundering statute, or violates a regulation or an order issued pursuant to this chapter, as a result of the licensee's wilful misconduct or wilful blindness;

(7) the licensee is insolvent, suspends payment of its obligations, or makes a general assignment for the benefit of its creditors;

(8) the licensee does not remove an authorized delegate after the Commissioner issues and serves upon the licensee a final order including a finding that the authorized delegate has violated this chapter; or

(9) the licensee is the subject of a final order, including a denial, suspension, or revocation, by this or any other state or federal financial services regulator, including a state or federal money services regulator, that was entered against the licensee within the past five years.

(B) In determining whether a licensee is engaging in an unsafe or unsound practice, the Commissioner may consider the size and condition of the licensee's money transmission, the magnitude of the loss, the gravity of the violation of this chapter or a regulation or order issued pursuant to this chapter, and the previous conduct of the person involved.

(C) In determining whether to suspend or revoke a license under subsection (A)(9), the Commissioner may consider if the licensee subject to the final order is currently licensed to conduct business in the jurisdiction where the order was entered.

(D) The Commissioner shall issue a formal written notice of the suspension or revocation. The Commissioner shall set forth in the order the specific reasons for the suspension or revocation. A licensee may request a hearing within thirty days after receipt of the written notice of suspension or revocation pursuant to Section 35-11-710.

Section 35-11-705. (A) The Commissioner may issue an order suspending or revoking the designation of an authorized delegate, if the Commissioner finds that the:

(1) authorized delegate violated this chapter or a regulation or an order issued pursuant to this chapter;

(2) authorized delegate did not cooperate with an examination or investigation by the Commissioner;

(C) The Commissioner shall issue a formal written notice of the suspension or revocation. The Commissioner shall set forth in the order the specific reasons for the suspension or revocation. An authorized delegate may request a hearing within thirty days after receipt of the written notice of suspension or revocation pursuant to Section 35-11-710.

Section 35-11-710. (A) If the Commissioner determines that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a regulation or order issued under this chapter, the Commissioner may:

The order must include a statement of any civil penalty or costs of investigation the Commissioner will seek, a statement of the reasons for the order, and notice that, within fifteen days after receipt of a request in a record from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing and none is ordered by the Commissioner within thirty days after the date of service of the order, the order, which may include a civil penalty or costs of the investigation if a civil penalty or costs were sought, becomes final as to that person by operation of law. If a hearing is requested or ordered, the Commissioner, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend it until final determination.

(C) If a hearing is requested or ordered pursuant to subsection (B), a hearing must be held. A final order may not be issued unless the Commissioner makes findings of fact and conclusions of law in a record. The final order may make final, vacate, or modify the order issued under subsection (A).

(D) In a final order under subsection (C), the Commissioner may impose a civil penalty against a person that violates this chapter or a regulation or order issued pursuant to this chapter in an amount not to exceed one thousand dollars per day for each day the violation is outstanding, plus this state's costs and expenses for the investigation and prosecution of the matter, including reasonable attorney's fees.

(E) If a petition for judicial review of a final order is not filed in accordance with Section 35-11-830, the Commissioner may file a certified copy of the final order with the clerk of court of competent jurisdiction. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(F) If a person does not comply with an order under this section, the Commissioner may petition a court of competent jurisdiction to enforce the order. The court may not require the Commissioner to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order. The court may impose a further civil penalty against the person for contempt in an amount not less than five hundred dollars but not greater than five thousand dollars for each violation and may grant any other relief the court determines is just and proper in the circumstances.

Section 35-11-715. The Commissioner may enter into a consent order at any time with a person to resolve a matter arising pursuant to this chapter or a regulation or order issued pursuant to this chapter. A consent order must be signed by the person to whom it is issued or by the person's authorized representative, and must indicate agreement with the terms contained in the order. A consent order may provide that it does not constitute an admission by a person that this chapter or a regulation or an order issued pursuant to this chapter has been violated.
