## JANUARY 2025

January is National Human Trafficking Awareness Month. This year, the South Carolina Human Trafficking Task Force (SCHTTF) is excited to bring you the **#SCWagsforAwareness** campaign. The campaign is designed for you and your favorite dog(s) to help us spread awareness about human trafficking on social media.

Each participant will receive a bag with a **#SCWagsforAwareness** leash and pet waste bag holder. Our hope is that you will not only help us spread the word on X and Facebook, but that you will share while walking your dog(s) in your neighborhood, visiting your local dog park and/or while dropping your best friend(s) off at doggy daycare.

### Activities Calendar

Throughout the month of January, the SCHTTF asks participants to reference the activities calendar found on the back of this card and on our website ([humantrafficking.scag.gov](http://humantrafficking.scag.gov)). The Task Force will provide prompts to share photos and videos, reshare our posts to your social media profiles, and ask trivia questions pertaining to human trafficking awareness. There will be opportunities to win ribbons throughout the month and a Best in Show trophy at the end of the campaign.

### Eligibility

To be eligible for the contests, each profile must:
