

South Carolina Domestic Violence Fatality Report

**Silent Witness Statistical Report on Victims of Domestic Murder
from 2021**

**Monique P. Garvin
October 4, 2022**

This year's ceremony will mark the twenty-fifth anniversary of Silent Witness.

In 2021, there were a total of 49 people murdered by a household member, according to the South Carolina¹² definition. Of those 49 people, 37 were women, constituting 76 percent of the total, and 12 were men, constituting 24 percent of the total.

The demographics of the victims were as follows: 40.8 percent were White, 57.1 percent were African American and 2 percent of victims identified as Hispanic/Latino. The average age of these victims was 37 years old.

The Office of the Attorney General, through its VAWA program, collected the data by contacting every sheriff's office, coroner's office, police department and solicitor's office in the state. Those offices were provided with a victim information sheet to complete and asked to provide any incident reports related to domestic homicide victims. As always, these offices were gracious and provided this Office with an abundance of information. In addition, all information was cross-checked for accuracy with the records of the South Carolina Law Enforcement Division.

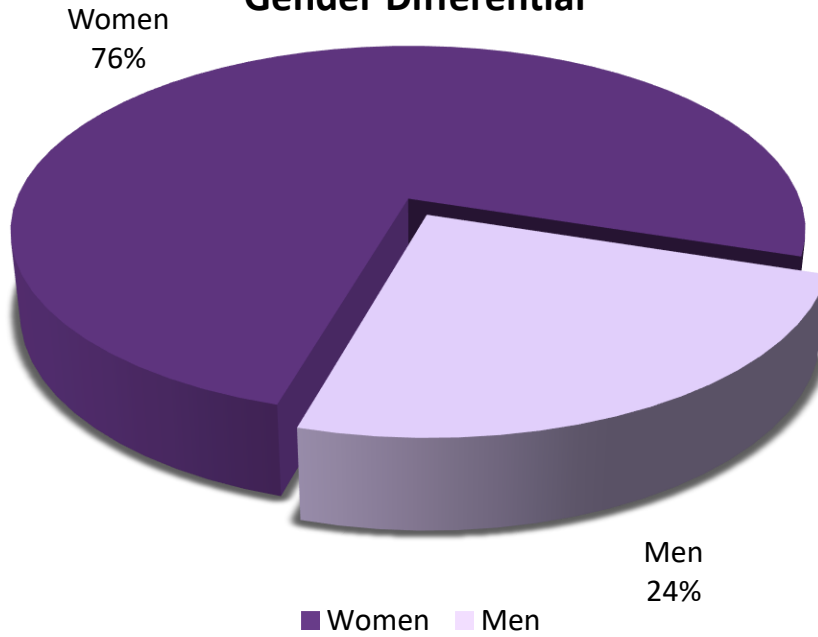

Twenty-three counties reported one or more domestic homicides for 2021.

Guns were the primary weapon used in these homicides. In 81.6 percent of the cases, a gunshot wound was listed as the primary cause of death. Knives were used in 4 percent of the cases; 10.2 percent from striking by or against a fist or object; 2 percent were from strangulation, and 2 percent from unknown causes. Trial is pending for murder in 38 cases, 10 suspects died by suicide and 1 defendant pled guilty to murder.

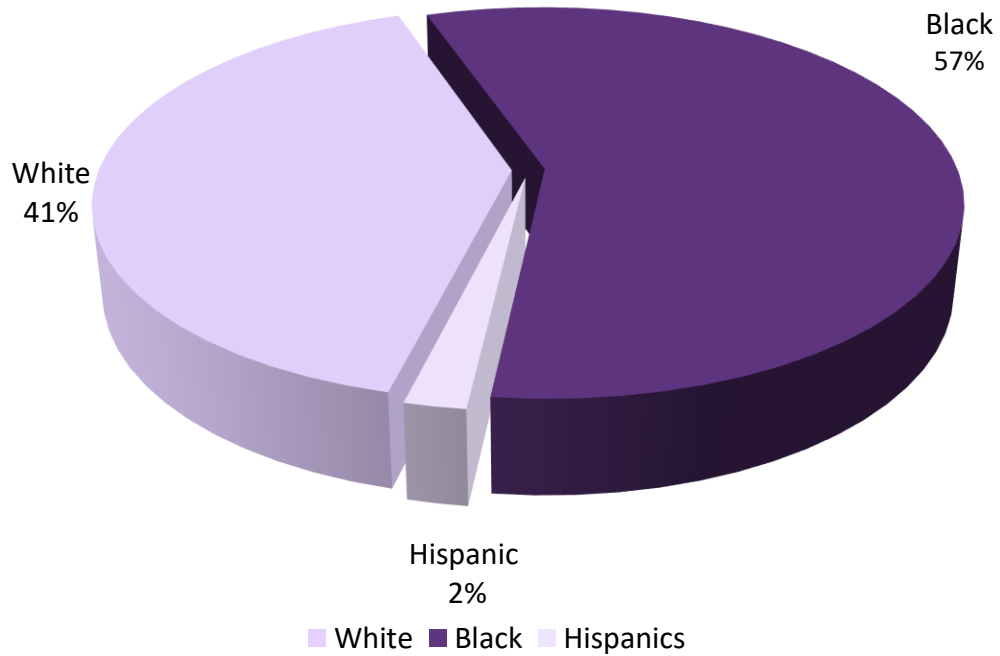

Following this summary are county-by-county statistics and statewide graphs depicting the statistics mentioned in this report.

¹² S.C. Code §16-25-10 defines "household members" as spouses, former spouses, persons who have a child in common, or a male and female who are cohabiting or formerly have cohabited.
