Opinion No. 83-64

*1 Mary T. Turner
Clerk
Greenville County Council
County Courthouse
Greenville, South Carolina 29601

Dear Ms. Turner:

This letter is in reply to your letter of August 22, 1983. You have asked what is meant by the term ‘public notice’ as used in [§ 4-9-110, Code of Laws of South Carolina](#), 1976. That is the same term as is used in the Freedom of Information Act at § 30-4-80, *supra*. It is our opinion that these two statutory provisions should be read together. Therefore, the public notice requirements of [§ 4-9-110](#) are met by following the notice provisions of the Freedom of Information Act at § 30-4-80. We interpret this to mean that the notice of a meeting should be posted in the Council Office as well as notifying the local news media. It does not require that the county actually place a notice in the newspaper.

Sincerely yours,

David C. Eckstrom
Assistant Attorney General
