Dear Mike:

As I suspected, there is a State statute on parking in private areas. It is not only unlawful but if the property is posted with a notice, it may be towed away and stored at the expense of the vehicle owner. The towing and storage charge is made a lien against the vehicle.

I think this is the answer to the problem of your constituent.

If I can be of any further service, please call upon me.

Very truly yours,

Daniel R. McLeod
