Dear Mr. Shaw:

Your letter of August 30, 1982, to Attorney General Daniel R. McLeod has been referred to me for review. The State Dairy Commission's monthly financial report which was enclosed with your letter must be produced upon a written request made pursuant to the South Carolina Freedom of Information Act. Section 30-4-50(6) of that Act mandates that information in or taken from any account, voucher or contract dealing with the receipt or expenditure of public funds or other funds by public bodies is specifically available as public information. As to employees' salaries, only the salaries of department heads must be disclosed. However, salary schedules showing compensation ranges for each employee classification must be made available for all other employees if the request is made for this information.

If I may be of further assistance to you, please do not hesitate to contact me.

Sincerely,
