Columbia, South Carolina 29201

Dear Representative Huff:

You have requested an opinion as to the legal status of the Belvedere Water and Sewer District and whether it is a special purpose district.

The district was created by Act No. 935 of 1956. Its members are appointed by the Governor and its function is to provide water and sewer services within its bounds. The district has been vested with the power to enter into contracts, make binding agreements and generally take such actions in its name as are necessary to accomplish its purposes.

On the basis of the foregoing, it is the opinion of this Office that the Belvedere Water and Sewer District is a special purpose district and a political subdivision of the State.

Sincerely yours,

Kenneth P. Woodington
Assistant Attorney General
