Dear Mr. DePass:

Enclosed is a copy of an earlier opinion written by this Office which answers the questions you posed concerning relocation assistance. The gist of the opinion is that anytime a State agency expends funds, whether or not they are Federal funds, and whether or not Federal funds are involved in the particular project, the State agency is obligated to provide relocation assistance in the same manner and to the extent that it is provided for under Federal law. If you have any further questions about this opinion, please do not hesitate to contact me.

Yours very truly,

M. Elizabeth Crum
Assistant Attorney General
