Secretary-Treasurer

Anderson, South Carolina

Dear Dr. Hill:

Thank you for your letter of February 11 stating that the South Carolina Podiatry Association wishes an opinion as to the constitutionality of a proposed amendment to the Podiatry Practice Act which you have enclosed in your letter.

In my opinion, such an Act would be valid, with the exception of the last sentence thereof which authorizes waiver by the Board in cases of 'certified illness or undue hardship.' I express grave doubts as to the validity of such an exception, which I would assume is an exception to the entire continuing education requirements imposed by the proposed amendment.

Very truly yours,

Daniel R. McLeod
