Dear Bill:

I have discussed your recent memorandum concerning the issuance of permit revisions by the State Budget and Control Board in the critical areas of the South Carolina coastal region with Vic Evans. He and I are in agreement with your conclusion that the Budget and Control Board is without authority to consider permit revisions or modifications now that the Coastal Council has complete permitting authority in this regard. I have also discussed this question with Ed Latimer and Ben Gregg, and they apparently have also reached the same conclusion.

Please let me know if and when you would like to meet with Paul Infinger, Ed Latimer, Ben Gregg, and me concerning your memorandum.

With best regards, I am
Very truly yours,

Keith M. Babcock
Staff Attorney
