Dear Mr. Whitesides.

In response to your request for an opinion from this office as to whether or not the proposed contract between Kabon Creek Rural Water District and Laurens County Water Resources Commission, whereby the District does the billing for both water and sewer services and the commission does the collecting for both water and sewer services, is authorized, I agree with your conclusion that it is. See, 57 STAT. Act—No. 1838, § 7(15), (23) and (25) at 3651-3653 (1972); 55 STAT. Act No. 1885, § 8(18), (23) and (28) at 3757-3760 (1972). [Section 6-11-1230\(2\) CODE OF LAWS OF SOUTH CAROLINA](#), 1976, is not applicable, in my opinion, because the District does not operate sewer collection, disposal and treatment facilities but, instead, operates only water collection, disposal and treatment facilities.

With kind regards,

Karen LeCraft Henderson  
Assistant Attorney General

1978 WL 34767 (S.C.A.G.)
