Dear Mr. Collins:

You have requested an opinion as to the legal status of the Lee County Parks and Playground Commission for purposes of social security coverage through the Retirement System.

The Commission was created by county ordinance on June 18, 1977. Its members are appointed by County Council, and its function is to establish and operate recreational facilities within the County. Accordingly, it is the opinion of this Office that the Commission is an agency of the County.

Sincerely yours,

Kenneth P. Woodington
Assistant Attorney General
