Office of the Attorney General

State of South Carolina

Dear Senator Roddey:

In response to your recent inquiry concerning a possible amendment in the law relating to membership on the South Carolina Commission on Higher Education, I am enclosing a letter dated March 7, 1978, and directed to Howard R. Boozer, Ph.D., Executive Director, Commission on Higher Education.

As noted in this letter, it is my opinion that if a new constitution of the Commission is made by statutory amendment, the present existing Commissioners would continue in office until a necessary majority of the new membership is selected and qualified to succeed them.

With best wishes,
Very truly yours,

Daniel R. McLeod
Attorney General
