Dear Ed:

I enclose copy of [Section 10-1-30 of the 1976 Code](#), governing the use of the State House steps, grounds and capitol mall for functions which are not normal to the operation of State Government. This Code section permits such functions, but only on the basis of a permit, the application for which 'shall be filed with the Director (of the Division of General Services) at least thirty days prior to the function on forms prescribed by the Director.' The requirement of an application filed at least thirty days prior to the function is mandatory and I do not believe that the Director has the authority to waive said statute.

Yours very truly,

Victor S. Evans
Deputy Attorney General
