

1974 WL 27580 (S.C.A.G.)

Office of the Attorney General

State of South Carolina

January 7, 1974

*1 The Honorable Jewel S. Baskin
Member
House of Representatives
Richland County
The State Capitol
Columbia, South Carolina

Dear Mrs. Baskin:

You have inquired as to the validity of a proposed bill which would authorize the governing body of any county in the State to make provision by ordinance or resolution for the Collection and disposal of solid waste and to authorize the imposition of service charges against persons for whom collection services are provided.

In my opinion, this proposed statute would not be violative of the prohibition against special legislation for counties contained in Article III, Section 34, or the more recently adopted local government amendment of the State Constitution. Such a proposed statute would be applicable to all counties throughout the State and therefore would be a law of general application.

Very truly yours,

Daniel R. McLeod
Attorney General
