

1974 WL 27576 (S.C.A.G.)

Office of the Attorney General

State of South Carolina

January 6, 1974

\*1 Mr. R. H. Baer, Jr.  
Commissioner  
S. C. Real Estate Commission  
900 Elmwood Avenue  
Columbia, South Carolina 29201

Dear Mr. Baer:

Reference is made to your letter of December 20, 1974, requesting Attorney General McLeod's advisory opinion on a draft of a proposed bill prepared by Bob Heilman of the Legislative Counsel. We have reviewed the bill, and recommend submission of same to the General Assembly for possible enactment in its present form. Please note that the enumerated educational purposes are not exclusive of other educational purposes which, from time to time, would meet the approval of the Real Estate Commission. In my opinion, the bill would have a better chance for favorable reception in the General Assembly by stating certain educational purposes which are intended to be covered by the authorization to use excess funds for educational purposes.

Yours very truly,

Victor S. Evans  
Assistant Attorney General
