

1974 WL 27605 (S.C.A.G.)

Office of the Attorney General

State of South Carolina

January 22, 1974

***1 In Re: Calendar S-592**

The Honorable John C. West
Governor
Columbia, South Carolina

Dear Governor West:

You have requested the opinion of this Office as to whether or not the subject Bill, if enacted, will be in conflict with or change materially any present provision of State law.

Assuming that all agencies to which reference is made in the Bill are lawfully created, and providing that 'comprehensive development programs' as used in the Bill are valid, it is the opinion of this Office that the provisions of the Bill do not conflict with any present State law and that they do not change such law in any material way. Reference to the validity of 'comprehensive development programs' is mentioned because in the short time I have had to research the question, I cannot find a statutory definition of such programs.

I talked with Mr. McLeod by telephone shortly after my conversation with you and he has stated that he agrees with the opinion expressed above.

Yours very truly,

Joseph C. Coleman
Deputy Attorney General
