

1974 WL 27704 (S.C.A.G.)

Office of the Attorney General

State of South Carolina

April 9, 1974

\*1 Honorable Thomas M. Marchant, III  
House of Representatives  
State of South Carolina  
Columbia, South Carolina

Dear Representative Marchant:

You have requested an opinion from our office on the proper procedure to be followed by the State Budget and Control Board in processing the selection of Architectural and/or Engineering firms after the Board has rejected the name of a firm recommended by a state agency or institution.

Enclosed please find a memorandum from the Budget and Control Board dated July 13, 1973, setting forth the procedures to be followed in the selection of these firms. Paragraph '6' of the memorandum reads as follows:

After review of the data submitted, the Budget and Control Board shall determine its position with respect to the particular firm recommended for approval by the Agency. The Board shall formally notify the Agency of its approval or rejection. In event of approval, the Agency is authorized to execute a contract with the selected firm. In the event of rejection, the Agency shall submit the name of another firm for the Board's consideration, selected in accord with the procedure outlined above. The Agency shall not enter into a contract for architectural and/or engineering services without Board approval.

This section is self-explanatory, but in summary it provides that upon the rejection of a firm by the Budget and Control Board, the recommending Agency shall submit another name for the Board's consideration.

Very truly yours,

W. Davies Merry, III  
Assistant Attorney General
