Office of the Attorney General

State of South Carolina

***1 Re: Student Residency Pursuant to Section 22-2.2, Code of Laws of South Carolina:**

Mr. W. L. Brinkley, Jr.
Vice President for Student Affairs
The College of Charleston
Charleston, S. C. 29401

Dear Mr. Brinkley:

As stated in my earlier letter, voter registration and car registration in South Carolina as required by statute would be some indication of intent to reside in South Carolina. Other factors, however, can also be considered in determining what the individual's true intent is, and this final determination is solely within the prerogative of the College of Charleston—not the Attorney General's Office, whose opinions have no legal affect.

Please contact me if I can provide any further verifications or information should you decide to consider it further.

Sincerely,

Hardwick Stuart, Jr.
Assistant Attorney General
