Dear G. P.:

Thank you for your letter of February 16 raising the question as to whether or not Greenwood County may enact a retirement policy so as to cause the mandatory retirement of employees of the County, other than elected officials, at age 65.

It is my opinion that this may be done, as, in my opinion, it is a matter which is vested exclusively in the county government. The matter was considered by me heretofore and I am enclosing herewith a copy of an opinion directed to the State Forester and dated October 25, 1963.

Very truly yours,

Daniel R. McLeod
Attorney General
