\*1 Mr. Lachlan L. Hyatt  
Chairman  
Board of Health and Environmental Control  
Butte Knitting Mills  
Post Office Box 4055  
Spartanburg, South Carolina 29303

Dear Mr. Hyatt:

I have reviewed the enclosed Rules proposed for approval by the Board of Health and Environmental Control. In my opinion, these Rules may properly be adopted and disseminated.

While the recently adopted Act establishing the Board of Health and Environmental Control presents a number of perplexing legal problems, the answers to which are not entirely clear, it is my opinion that the enclosed Rules may be adopted to carry out the intent and purposes of the Act as reflected by its specific terms should the Board determine to adopt these Rules. I recommend that they do so.

Very truly yours,

Daniel R. McLeod  
Attorney General
