Director of Instruction

P. O. Box 5
West Union, S. C. 29696

Dear Mr. Foster:

In answer to your request for advise on the development of a uniform policy regarding drug/related offenses, I recommend that your administrative procedures be no different for drug offenses than for any other offenses as far as any disciplinary action of the school is concerned. The particular penalties prescribed in the section of your Board Policy on drug violations certainly appears to be reasonable and uniform. If you wish to go into any more detail than you have in your enclosed section and other sections which may relate to the actual process procedures drawn by your school board, I recommend that you contact the S. C. School Board Association at 1401 Hampton Street here in Columbia, which maintains samples of School Board policies across the State and nation which can be readily available to you on numerous topics.

Please contact, me if I can provide any further assistance.

Sincerely,

Hardwick Stuart, Jr.
Assistant Attorney General
