***1 Re: Contract with RCA**

Honorable J. P. Strom
Chief
State Law Enforcement Division
Post Office Box 1166
Columbia, South Carolina 29202

Dear Chief Strom:

In reference to the above contract for computers, other equipment and soft ware between your division and RCA, it is the opinion of this office that RCA has failed to comply with the contingencies set forth in the contract and upon which the enforceability of the contract is based. Therefore, the contract should be considered as void and of no effect.

If your division so desires, it should at this time contract for the equipment desired with any firm that it selects, and disregard the contract with RCA except for any settlement that can be reached in regard to the equipment that the division has been using.

Very truly yours,

Daniel R. McLeod
Attorney General
