Opinion No. 3275

***1 Re: Member of a County Board of Education cannot be employed by that Board in any capacity**

The Honorable Sidney T. Floyd

Member

House of Representatives

Post Office Box 215

Conway, South Carolina

Dear Representative Floyd:

It is our opinion that it is against public policy for an individual to be both a member of a county board of education and an employee of the board in the capacity of an instructor or in any other capacity. The basis of our conclusion is set forth in a recent opinion issued to the Commission for the Blind, and I am enclosing a copy of that opinion for your information.

Should you have any further questions on this matter, please do not hesitate to contact me.

Very truly yours,

Robert W. Brown

Assistant Attorney General
